**ARTICLE 9**  
**Overtime**

- 9.1 Overtime is work performed in excess of forty (40) hours in one workweek. Credit shall be given for all time paid but not worked during the workweek, provided, however, that an employee shall not be disqualified from receiving payment for overtime hours when the employee is excused with pay during the normal work day due to excessive work hours during an emergency situation. Overtime work performed shall be compensated at the rate of one and one-half times the regular rate.
- 9.2 No employee shall be relieved of duty during the regular shift hours in the employees' basic work schedule in order to compensate or offset overtime hours worked outside of the employee's regular work shift of the basic work schedule, except by mutual request.
- 9.3 It is recognized that overtime may be desired by some employees but may be a burden to others; therefore, the following provisions shall apply:
- a. The Town shall give as much notice as practicable when overtime will be worked.
  - b. All overtime assignments shall be first offered on a voluntary basis. A list of volunteers for overtime shall be maintained in each work section. Overtime shall be distributed equally among employees who desire it, are qualified, and are working in the same classification as to the kind of work required, but preference shall be given to those full-time employees currently assigned to the work section in which the overtime is to be worked.
  - c. If there are not sufficient volunteers for overtime, then overtime will be assigned on a rotating basis to any employees qualified to perform the work. It shall be the duty of all able-bodied employees to make themselves available during emergency situations and for snow removal and unsafe road conditions. Refusal to work during such situations, without justification, may result in disciplinary action.
- 9.4 Payment for all overtime work shall be made in the employee's regular paycheck for the pay period in which the overtime was worked. Payment for overtime work on the last day of a pay period may be included in the following week's paycheck. An employee may elect to take earned overtime as compensatory time off at the rate of time and one-half for each overtime hour worked. Compensatory time may be accumulated to a maximum of 40 hours. In accordance with the collective bargaining agreement, the compensatory time shall not be taken in the pay week in which it was earned.
- 9.5 Any unit employee called back to work after leaving the work premises, or called into work on the employee's day off, shall be guaranteed a minimum of not less than three (3) hours of pay at the rate of one and one-half the times the regular hourly rate. Any subsequent callback within three (3) hours after the time of the last callback shall be treated as a continuous extension of that callback.
- 9.6 All off-duty employees are subject to "emergency" overtime calls from the town as deemed necessary by the Town Manager or designee. All employees will make a reasonable effort to respond to these emergency overtime requests as required by their job descriptions.

During periods of emergencies or anticipated weather events, the Town may request employees to be "on-call" and be available to answer emergency calls and respond. The Director or designee shall have the authority to request employees be on call through a voluntary sign-up sheet which will identify the number of employees required and define the on-call time frame. The on-call list shall be available to qualified employees and selection will be based on seniority. On-Call requests will be at the discretion of the Director or designee with no precedent set for future requests. In the event there are insufficient volunteers to perform on-call responsibilities nothing herein shall prevent the Director or designee from issuing on-call assignments to non-volunteers.

Employees "on call" will be compensated at the rate of twenty-seven dollars (\$27.00) per assigned weekday on-call period and thirty-five dollars (\$35.00) per each assigned weekend day and holiday on-call day. Each on-call period will be for a minimum of three days. For "salt-run" on call periods a minimum of four positions will be requested. An on-call day shall be run from 7:00 a.m. to 7:00 a.m. the following day. Weekend on-call days run from 7:00 a.m. Saturday to 7:00 a.m. Sunday and/or 7:00 a.m. Sunday to 7:00 a.m. Monday.

If an "on call" employee is already working and is needed, they will receive the "on-call" pay but are not eligible to receive three (3) hours "call in" pay.

If an "on call" employee is called in to work, they will receive three (3) hours "call in" pay and the "on call" pay.

Failure of an "on call" employee to respond to a call within fifteen (15) minutes may result in that employee being removed from the "on call" list for a period of up to sixty (60) days for a single infraction. The decision of whether to remove the employee from the "on call" list shall be the sole prerogative of the Town and such decision shall not be subject to the grievance process.

- a. An application for Supplemental Sick Leave (one part to be completed by the Employee and one part to be completed by the employee's physician or medical practitioner) shall be forwarded to the Director of Public Works stating the reason for the request and the amount of additional sick leave requested.
- b. The Director shall solicit donations from employees who wish to contribute unused sick leave. An employee must exhaust, or expect to exhaust, all paid leave (except five (5) days) prior to receiving supplemental sick leave. Paid leave includes sick leave, vacation leave, floating holidays, personal days and compensatory time.
- c. Supplemental sick leave is only to be granted for serious or life-threatening illnesses, injuries, impairments, or mental or physical conditions that have caused, or are likely to cause, the employee to take leave without pay.

12.2.11 Employees covered by this agreement can sell back to the Town unused sick leave on an annual basis, according to the following:

- a. An Employee shall have a balance of four hundred (400) hours of sick leave accumulated.
- b. After accumulation of four hundred (400) hours the employee can, at the employee's option sell back to the Town any unused annual hours accumulated during that year.
- c. Employees wishing to take advantage of the sell back program must declare their intentions to sell back time. The Employee shall declare the number of hours and the Town shall take that number and multiply it by the hourly rate of the individual employee at the time of their selection in October. The total amount shall be indicated to each employee in writing by September 15<sup>th</sup> of that year. By October 1<sup>st</sup> of that year the employee shall notify their respective department of their wishes of this hour/dollar amount. Each employee must state the number of hours they are selling back and list in writing which distribution option is being selected. The Town shall buy back time at the employee's current hourly rate.
- d. The value of the hours sold to the Town can be used in any of the following combinations.
  1. Purchase the employee's contributions, either in part or in full, to Health Insurance, Dental Insurance, Short-Term Disability, Long-Term Disability Insurance, AFLAC Insurance or Colonial Insurance.
  2. Make contributions to the employee's Individual 457 Tax Deferred Retirement Plan.
  3. The hourly amount shall be available to the employee to be used as vacation in the following year. Hours shall be counted 3 for 1 so that an employee turning back 90 hours shall be given an additional thirty (30) hours of vacation at a time

During such absence, the employee shall receive as pay the difference between the employee's regular weekly straight time pay and any pay received as a member of the reserve force of the United States or State of New Hampshire. Payment of the above stated differentials shall not apply to regular monthly meetings or when the employee enters full-time active duty. Employees will continue to be scheduled off for their weekend drill. All benefits shall continue to accrue to an employee on military leave.

12.5 Injury Leave/Workers' Compensation Absence: The Town shall provide Workers' Compensation insurance for all employees of the Town as prescribed by state statutes. When an employee is absent from duty after sustaining a personal injury or illness arising out of and in the course of employment, the employee shall be paid full base pay, less the amount of workers' compensation received for a period not to exceed one (1) year.

An employee absent on workers' compensation shall accrue vacation and sick leave and holiday pay. All other benefits will continue to accrue to an employee absent on workers' compensation.

Employees absent on workers' compensation shall be protected from discharge for reasons of such absence for a period of twelve (12) months. Beyond twelve (12) months

the Town shall make reasonable efforts to hold the employee's position open, but reserves the right to fill said position according to the needs of the Public Works Department.

- 12.6 The Town shall grant leave to an employee for any period of time the employee is required to appear before a court, judge, justice, magistrate or coroner, provided:
  - a. Such leave is duty-related and pertains to or originates out of the employee's employment with the Town; or
  - b. The employee is called involuntarily as a witness by subpoena in a case or action in which the employee does not have a personal interest.
- 12.6.1 For such leave as specified in Section 12.6 b the Town shall pay to the employee during the employee's absence the difference between the employee's normal pay, and any pay received as witness fees for otherwise as a result of the employee's attendance at such court or other proceeding, except mileage.

- 12.9 Personal Leave: Employees shall have sixteen (16) hours of personal leave for their use during each calendar year. Employees may use this leave at any time for personal reasons, but employees are expected to provide as much advance notice as possible given the circumstances. Personal leave may not be accumulated from one year to the next.

**ARTICLE 13**  
**Promotion, Layoff, Transfer, and Seniority**

13.1 A vacancy or new position shall be filled in the following manner:

13.1.1 The Town shall post all open positions on employee bulletin boards for a period of five (5) working days. The posted position shall contain the following:

Title of Job	Job Location
Salary Range	Job Description
Closing Date of Application	Minimum Qualifications

13.1.2 Filling of positions will be by selection from among the qualified candidates within the Department of Public Works. In the event that two or more equally qualified candidates meet the criteria, seniority will be the basis for appointment, provided there are no candidates more qualified applying from outside the department. Posted vacancies shall be filled within sixty (60) days of the close of the posting period, unless mutually agreed upon by both the Town and the Union, or unless no qualified candidate can be found.

13.1.3 Management reserves the right to place newly hired employees at any step on the wage scale, based on an evaluation of their education, experience, skills, and qualifications.

13.2 Any unit employee who is promoted or transferred shall serve a probationary period of six (6) continuous months. Any unit employee who fails the probationary period associated with that promotion or transfer shall be returned to the same or comparable position from which the employee was promoted or transferred, if said return is within six (6) months of the date of promotion or transfer. If another employee is displaced as a result of the return of the promoted or transferred employee, the displaced employee will return to the displaced employee's former position (if formerly employed by the department) or to be terminated from employment with the Department. Displacement may continue successively to the lowest classification at which time termination of employment may occur.

13.3 The Town shall give written notice to the affected employees of any proposed layoff and the reasons therefore, at least fourteen (14) calendar days before the effective date thereof unless circumstances beyond the control of the Town prevent this length of notice.

13.3.1 In the event a layoff occurs, the least senior employees(s) in the job classification(s) affected shall be laid off according to their ranking on the seniority list.

13.4 Employees shall be recalled from layoff in the reverse order of their layoff per job classification. Recalled employees shall be sent a recall notice by certified mail to the last known mailing address as provided by the employee to the Town. It shall be the employee's responsibility to update such mailing address as necessary.

13.4.1 Any employee who fails to contact the Town within fourteen (14) calendar days of the mailing of the recall notice by certified mail shall be considered to have voluntarily resigned their employment, subject to any alteration by prior written mutual agreements.

The Town may then fill the position of said recalled employee with the next laid off employee, or, if there are none, by a new hire.

- 13.5 For purposes of promotion, transfer, layoff, recall and other benefits, an employee's seniority shall be the length of continuous service from the date of hiring, and shall be calculated on the basis of years, months, and days of service. Should there be a voluntary interruption or break in service of greater than five (5) working days, seniority shall commence as of the date of last hiring. Should the break in service be due to reduction in force, prior seniority will be retained upon re-entrance into service.
- 13.6 The Town shall establish and maintain a seniority list which shall be subject to amendment from time to time as circumstances warrant. Employees shall be listed in order of decreasing seniority according to date of hire. The list shall also state each employee's job classification and the division of the department to which the employee is assigned. In cases of a layoff, an employee may choose to bump into a position in the department occupied by a less senior employee if the employee is qualified for the position into which the employee is bumping. If a recall occurs, employees shall return to their prior positions.

**ARTICLE 14**  
**Grievance Procedure**

- 14.1 The purpose of this Article is to provide the mutually acceptable procedure for resolving grievances arising from an alleged violation, misinterpretation or misapplication with respect to one or more unit employees, of any provision of this contract.
- 14.2 A grievance is defined as a dispute or difference of opinion raised by an employee covered by the agreement, or by the Union involving the meaning, interpretation or application of the express provisions of the Contract. A grievance must be in writing and must state the specific provisions in this Contract that has allegedly been violated. Further, the specific relief sought must be indicated by the party raising such grievance.
- 14.3 Filings, Decisions, Appeals, Time Limits:
- 14.3.1 A grievance must initially be filed in writing with the employee's department head, except that the first two levels of review may be set aside in cases where the individual at that level has no authority to resolve the grievance.
- 14.3.2 The grievance must be filed within ten (10) workdays of the alleged violation or of the grievant's first knowledge thereof.
- 14.3.3 Steps #1 through #4, a decision shall be rendered in writing to the grievant within ten (10) workdays of the close of the hearing. Any appeal of the decision shall be in writing to the next level within ten (10) workdays.
- Any appeal of the decision to arbitration shall be in writing to the Board of Selectmen within fifteen (15) workdays. A decision shall be rendered in writing by the arbitrator to the parties and to the grievant within thirty (30) calendar days of the close of the arbitration hearing.
- 14.3.4 In any case where a decision is not received within the specified time, the grievant may automatically appeal to the next level.
- 14.3.5 In any case where the grievant fails to appeal a decision within the specified time, the last decision shall be considered final and the grievance resolved.
- 14.4 Levels of Review:
- Step #1 - Public Works Director
  - Step #2 - Town Manager
  - Step #3 - Board of Selectmen
  - Step #4 - Arbitration
- The decision of the arbitrator shall be binding upon both parties. However, both parties shall have a right to appeal to the New Hampshire courts under the provisions of NH RSA 542, as amended (except that the provisions of RSA 542:6 shall not apply).
- 14.5 Grievance by the Union: In any case where the rights of the Union as opposed to the rights of employees are affected, the Union may file a grievance in its own name through any of

its agents or officers. A grievance initiated by the Union against the Town shall be filed directly with the Town Manager and shall be considered a Step #2 appeal.

- 14.6 If the Union and Town are unable to mutually choose an arbitrator, the Union shall ask the New Hampshire Public Employee Labor Relations Board to provide the Parties with a list of seven (7) arbitrators. An arbitrator shall be chosen by the Union and the Town alternately striking one name at a time from the list, the last remaining candidate shall be the arbitrator.
- 14.7 The decision of the arbitrator shall be in accordance with NH RSA 542.
- 14.8 All expenses charged by the arbitrator shall be divided equally between the Parties. Each side shall be responsible for the costs of any witnesses it may call.
- 14.9 A Union staff representative may substitute for the steward and vice versa in the various steps of this procedure.
- 14.10 As used herein, "working days" shall mean Monday through Friday, excluding holidays listed in Article 10 - Section 1.
- 14.11 Either or both Parties shall have, upon notice, one (1) automatic three (3) workday time extension. Said time extension is available once for each side in any single grievance case. Any other time limits herein may be extended by mutual agreement.
- 14.12 Prior to proceeding with Step #4 above, and within fifteen (15) workdays of the Step #3 decision, the Parties may mutually agree to grievance mediation. The mediator shall be appointed by both Parties. Grievance mediation shall be an optional dispute resolution procedure intended to preclude the need for arbitration. If no resolution is achieved as a result of grievance mediation, the Union may proceed to Step #4 within five (5) workdays of the close of the grievance mediation session. The parties agree to share equally in the compensation and expense of the mediator.

## ARTICLE 15

### Discipline

- 15.1 The Town shall not discharge or take other disciplinary action without just cause.
- 15.2 The Parties jointly recognize the deterrent value and necessity of the ability to impose disciplinary action. Accordingly, the Town will:
- a. Act to impose discipline within a reasonable time of the offense;
  - b. Apply discipline with a view toward uniformity and consistency;
  - c. Impose a procedure of progressive discipline including the following actions:
    1. Oral warning (with written documentation if appropriate)
    2. Written warning
    3. Suspension without pay
    4. Dismissal
  - d. Suspension(s) without pay totaling fifteen (15) or more days during a five-year period constitutes just cause for immediate dismissal. Suspension(s) without pay totaling twenty (20) or more days during a ten-year period constitutes just cause for immediate dismissal.
  - e. Failure to immediately report in writing violations of state or federal permit standards to the Director of Public Works constitutes just cause for immediate dismissal.
  - f. Failing to accurately record any information or to omit any information on any official document of the Town, State, or Federal government constitutes just cause for a minimum three (3) day suspension without pay or immediate dismissal. Depending upon the circumstances.
  - g. For the purposes of implementing Article 15.2.d, the total number of days of unpaid suspensions an employee has on his/her record shall remain in effect. If an employee has the number of days of unpaid suspensions at the effective day of this contract which would result in his/her discharge per Article 15.2.d, that employee shall not be discharged at that time. However, receiving another unpaid suspension of any duration within the time frame set out in Article 15.2.d, shall constitute just cause for immediate dismissal.

The Parties agree that there will be appropriate cases that will warrant the Town by-passing any or all of the above progressive disciplinary steps.

- 15.3 All disciplinary actions except oral warnings without written documentation shall be placed in the employee's personnel file at the time they are given. All disciplinary actions shall identify the alleged incident, occurrence, action or non-action for which the disciplinary action is being taken and if a specific Contract provision or published rule. The written record of such disciplinary action(s) shall be signed by the employee, indicating receipt only, and a copy shall be given to the employee concerned.
- 15.4 In the event an employee received a written warning, the employee's personnel file shall be cleared of such discipline after three (3) years from the date of the discipline, provided there are no written reprimands, suspensions, demotions or other disciplinary actions during the three (3) year period. In the event of a suspension or demotion, provided there

are no written reprimands, suspension, demotions, or other disciplinary actions during the five (5) year period.

- 15.5 Any suspension with pay shall be considered an administrative action.
- 15.6 Disciplinary actions or counseling of employees will take place in private and only in the presence of those associated with the actions being taken. Employees shall be dealt with a courteous and adult manner, and shall not be demeaned, or subjected to loud verbal outbursts, or inappropriate acts or omissions, which create an intimidating or hostile working environment. It is understood that occasions may arise in which it will be necessary for an employee to be warned or cautioned about an imminent condition or situation which would otherwise occur or fail to occur in absence of an immediate statement. In such situations, the employee may be corrected or given direction regardless of the presence of other persons, but such correction or direction shall be limited to the condition or situation at hand.

**ARTICLE 16**  
**Miscellaneous**

Job descriptions for all positions, including minimum qualifications and requirements, shall be published, and distributed to employees. Job descriptions for all positions shall also be maintained in a location at the workplace accessible to all employees.
- 16.2 Employees shall be reimbursed for the loss of or damage to, as a result of the official duties, any personal property which is not provided by the Town, and which the employee must provide in order to do their job. Employees shall notify and obtain the written approval of the Director of Public Works for any such personal property they intend to use. Normal wear and tear to an employee's work shoes, work boots, or other clothing shall not be covered by this provision.

- 16.5 No employee shall be required to handle trash containers or engage in trash removal, which violates the standards set forth for such activities as stated in Appendix D of this Contract.
- 16.6 Sexual Harassment Prohibited.
- 16.6.1 The Town will not tolerate sexual harassment of any employee, or any other person dealing with the Town. Acts that constitute sexual harassment include, but are not limited to: unwelcome sexual advances, requests for sexual favors and other verbal, non-verbal and/or physical conduct of a sexual nature if:
- a. Submission to or rejection of such conduct is used as the basis for employment decision affecting the person who did the submission or rejection;
  - b. Submission to such conduct is made either explicitly or implicitly a condition of the individual's continued employment; or
  - c. Such conduct interferes with an individual's work performance or created an intimidating, hostile, or offensive work environment.
- 16.6.2 All complaints of sexual harassment shall be referred immediately to the employee's supervisor or the Town Manager and the matter will be promptly investigated.

Confidentiality will be maintained to the extent possible consistent with the need to conduct a prompt and thorough investigation of a complaint. Retaliating or discriminating against an employee for complaining about sexual harassment is prohibited.

- 17.1 Unit employees shall be provided and shall wear such uniforms as may be required by the Town. The Town shall replace worn or damaged uniform items and ensure that each employee has an adequate supply of uniforms recognizing the nature of the work. Employees may also wear personally acquired alternative uniform items purchased at their own expense, which are approved by the Director of Public Works.
- 17.2 The cleaning of uniforms shall be at the expense of the Town; however, the Town and affected employee may agree otherwise.
- 17.3 The Town shall pay up to three hundred dollars (\$300) each calendar year for the purchase of ANSI Class 75 leather work boots/shoes to be used on the job. Payment shall be on a reimbursement basis upon presentation to the Director of Public Works or the Director's designee of a receipt verifying the purchase of ANSI Class 75 leather boots/shoes or other work-related footwear approved for use. The Town will not pay for replacement of said leather boots/shoes due to wear and tear. The Town will pay up to fifty dollars (\$50) for repair or replacement of Town reimbursed boots/shoes as determined by the Town to have been damaged on the job due to unforeseen circumstances.

The Town shall pay up to two hundred dollars (\$200) per year, for purchase or replacement of prescription safety glasses for bargaining unit employees. Neither shall a waiver by either party of the other's nonperformance or violation of any term or condition of this Contract constitute a waiver of the nonperformance or violation of any other term or condition of the contract.
- 18.5 Should any section, term or condition of this Contract or any application to any employee or group of employees be held contrary to law, then such section shall not be deemed valid, but all other sections shall continue in full force and effect.
- 18.6 The Parties agree to modify or replace the invalid section so long as said Parties recognize the prohibitions in RSA 273-A, as amended, against strikes, lock-outs, and other forms of concerted job action, and mutually agree to take necessary steps through the various means available to them to ensure the continuity of governmental operations and the status of unit employees. **MEMORANDUM OF AGREEMENT**

This memorandum serves as an agreement between the Town of Hampton, New Hampshire (Town) and the STATE EMPLOYEES ASSOCIATION OF NEW HAMPSHIRE, INC. SEIU LOCAL 1984, Chapter 70 (Union); said agreement BETWEEN HAMPTON BOARD OF SELECTMEN AND THE UNION, regarding the Health Insurance plans offered by the Town.

The Health Trust chose to discontinue their Anthem BC3T5RDR-RX10/20/45 plan, effective December 31, 2024. The Town offered, and the Union agreed to accept, Health Trust's Open Access PPO (OA20) plan in its place, as contained in the current Collective Bargaining Agreement (CBA).

The Town recently learned that the Health Trust also offers an Open Access PPO plan with a \$5 co-pay (OA5), which would have been presented as the better alternate during negotiations had the Town been aware of its existence.

Therefore, the Town agrees to offer to the Union's members the option to choose the OA5 plan instead of the OA20 plan, in addition to the AB15IPDED- RX10/20/45 plan already offered in the CBA.

This Memorandum of Agreement is executed solely for the subject referenced in this Agreement without prejudice and does not constitute any precedence by either party. Both parties shall retain their full rights and privileges to any past or future practices under the full provisions of the Collective Bargaining Agreement.
