- 1.2 In Decision No. 2005-023, and as subsequently amended, the PELRB included the following full-time and part-time positions in the bargaining unit: custodians, food service assistants, secretaries, Speech Language Assistants (SLA), Registered Behavioral Technicians (RBT), and paraeducators, (including but not limited to health office assistants, library aide, computer lab assistant, student success center assistant).

ARTICLE 2—NEGOTIATION PROCEDURES

- 2.1 Negotiations for a successor agreement shall be conducted pursuant to N.H. RSA 273-A, Public Employees Labor Relations Law.
- 2.2 The Union will notify the School Board of its intent to negotiate no later than October 1 of the year before the expiration of this Agreement. The parties agree that they then will enter into good faith negotiations over a successor agreement. Any agreement that is ratified by the parties and approved by the School District’s legislative body shall be reduced to writing and signed by the School Board and the Union.

ARTICLE 3—MANAGEMENT RIGHTS

- 3.1 The School Board, subject only to the express language of this Agreement, reserves to itself full jurisdiction and authority over matters of policy and retains the unrestricted right (a)

to direct and manage all activities of the School District; (b) to direct the work of employees; (c) to hire, promote, transfer, assign and retain employees in positions within the School District, to non-renew employees and to suspend, demote, discharge, or take any other disciplinary action against the employees consistent with the procedures in this agreement; (d) to act unilaterally, including by adoption of rule or regulation, on any and all matters not excluded by RSA 273-A, provided said act, rule or regulation, does not conflict with or violate any of the express terms of this Agreement; (e) to maintain the efficiency of government operations; (f) to relieve employees from duties because of lack of work or for other reasons; (g) to determine the methods, means and personnel by which operations are to be conducted; (h) to contract with companies or agencies for services to be provided by employees of those companies or agencies, including services that otherwise might be performed by bargaining unit employees after having provided notice to the Union; and (i) to take actions as may be necessary to carry out the mission of the District in emergencies.

- 3.2 The School Board may, at its discretion, adopt either a days-based school year or an hours-based school year under N. H. Admin. R. Ed 306.18. The Board shall determine the number of student hours and days per year. In the event the District changes to a student hours-based year, the parties will negotiate over the impact on bargaining unit members.
- 3.3 The parties understand that the School Board may not lawfully delegate the power or authority which, by law, is vested in it, nor may the Superintendent lawfully delegate the power or authority which, by law, is vested in him/her; and this Agreement shall not be construed so as to constitute a delegation of the power or authority of either. The terms "law" as used above shall include, but not be limited to, regulations lawfully adopted by the New Hampshire State Board of Education.
- 3.4 As to every matter not covered by this Agreement, and except as expressly or directly modified by clear language of a specific provision in this Agreement, the School Board and the Superintendent retain exclusively to themselves all rights and powers that now or may hereafter be granted by law.

ARTICLE 4—UNION RIGHTS

- 4.2 The Union may use school equipment normally used by employees for Union activities provided notice is given to the building Principal and provided there is no interruption to regular school activities. However, expendable material will be at the expense of the Union.
- 4.3 The Union will have the right to post notices of its activities and matters of employee concern in teachers' workrooms. No union notice shall be posted in or around the Board's

property except on such boards, and no notice shall be posted until it has been signed by the appropriate union representative. The union shall continue to have the use of the employee mailbox and email system.

- 4.6 Union representatives will be provided up to thirty (30) minutes at a scheduled meeting/workshop day before the school year to meet with the employees covered under this bargaining unit.

ARTICLE 5—GRIEVANCE PROCEDURE

- 5.1 A grievance is defined as a claim by a member of the bargaining unit that there has been a violation of a specific provision of this Agreement, except that the following matters shall be excluded from the grievance procedure: (1) any matter for which a specific method of review is prescribed by law; (2) any statute, law or regulation by the State or Federal Government; (3) any bylaw of the school board pertaining to its internal organization; (4) any matter which, according to law, is either beyond the scope of school board authority or is limited to unilateral action by the school board alone; (5) a complaint concerning evaluation of an employee's performance; (6) any matter listed in Article 3; (7) expiration of a letter of agreement, severance with 10 work days' notice and expiration of an assignment; and (8) any matter which this Agreement states shall not be subject to the grievance process.
- 5.2 To be considered under this grievance procedure, a grievance must be filed in writing at Step 1 within thirty (30) days of its occurrence.
 - A. Failure at any step of the grievance procedure to communicate a decision in response to a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step of the procedure. Failure at any step of this procedure to appeal a grievance to the next step within the specific time limits shall be deemed to be acceptance of the decision rendered at this step.

B. During the pendency of any grievance, the employee shall continue to perform all assignments and observe applicable rules.

5.3 Informal Procedure: Any employee who has a grievance first shall make a documented effort to arrange an informal meeting to discuss it informally with his/her building principal.

5.4 Formal Procedure:

A. Step 1: If, as a result of the informal discussion, the matter is not resolved to the satisfaction of the employee, the employee may set forth the grievance in writing to the principal. The written grievance shall specify the nature of the grievance, the date of occurrence, the specific provisions in this Agreement that allegedly were violated, and the remedies sought. The principal may communicate his/her decision to the employee in writing within five (5) days of receipt of the written grievance.

B. Step 2: If the grievance is not adjusted to the employee's satisfaction at Step 1, the grievance may be appealed to the superintendent within five (5) days after receipt of the principal's decision or, if none, no later than five (5) days after the deadline for the principal's written decision. The appeal to the superintendent shall be in writing, shall specify the employee's dissatisfaction with the decision previously rendered, and shall attach copies of the grievance submitted to the principal and the principal's written decision. The superintendent may communicate his/her decision in writing to the employee within twenty (20) days after receipt of the appeal to the superintendent.

C. Step 3: If the grievance is not resolved to the employee's satisfaction at Step 2, the grievance may be appealed to the School Board within five (5) days after receipt of the superintendent's decision or, if none, no later than five (5) days after the deadline for the superintendent's written decision. The appeal to the Board shall be in writing, shall specify the employee's dissatisfaction with the decision previously rendered, and shall attach copies of the grievance and the decisions at Steps 1 and 2. The Board may communicate its decision in writing to the employee within thirty (30) days after receipt of the appeal to the Board.

D. Step 4 (Arbitration): If the grievance is not resolved to the employee's satisfaction at Step 3, the employee shall notify the Union within five (5) days of receipt of the Board's decision or, if none, within five (5) days after the deadline for the Board's written decision. If the Union determines that the matter should be arbitrated, it shall so advise the superintendent in writing within ten (10) days of receipt of the grievant's request.

5.5 The following procedure shall be used to secure the services of an arbitrator.

A. The parties will attempt to agree upon a mutually satisfactory third party to serve as an arbitrator. If no agreement is reached within ten (10) days following receipt of the request for arbitration, either party may request the American Arbitration Association, pursuant to

its rules, to submit to the Union and the superintendent rosters of persons qualified to function as an arbitrator.

B. The arbitrator shall limit himself/herself to the issues submitted and shall consider nothing else. He shall be bound by and must comply with the terms of this Agreement. The arbitrator shall have no power to add to, delete from, or modify in any way the provisions of this Agreement.

- 5.8 The time periods specified in this procedure may be extended by mutual written agreement of the parties.
- 5.9 A Union representative may be present with the grievant at all informal and formal steps of the grievance process if requested by the grievant.

ARTICLE 6—DISCIPLINARY PROCEDURES

- 6.1 Discipline normally shall follow this order, but discipline may be taken out of order depending upon the severity of the infraction: oral warning, written warning, suspension without pay, and discharge.
- 6.2 Expiration of a letter of agreement, severance with 10 work days' notice per Section 7.1, expiration of an assignment and reduction-in-force shall not constitute discipline.
- 6.3 Subject to the language of this Agreement, the decision whether to suspend or discharge an employee shall be made by the Superintendent or his/her designee.
- 6.4 Employees shall not be reprimanded other than in a private location unless emergency circumstances warrant immediate action.
- 6.5 In cases of suspension without pay or discharge, the District shall put the reasons in writing.
- 6.6 During the first ninety (90) calendar days of an employee's employment, he/she shall be on probation. While an employee is on probation, the discipline procedures in this Article shall not be applicable.

- 7.1 The District shall provide by June 1st of each year, for continuing employees only, a letter of agreement to reemploy, including the expected position, specifying elementary or middle school, expected rate of pay, expected hours per day, and expected days per year. Such letter of agreement will specify that the School District may end the employment of the individual holding that position immediately if the individual is on probation and by providing ten (10) work days written notice if the individual has completed probation. A letter of agreement for a grant-funded position also will specify that the position is contingent upon the School District's receipt of the grant funds. Employees who received and signed a letter of agreement shall be notified by the District by August 15 of their updated, potential placement for the upcoming school year. Supervisors shall collect feedback from the employee not later than May 15th relative to the employee's current assignment.
- 7.2 Upon receiving a letter of agreement, the employee must sign and return it to the Superintendent by June 15th. If an employee fails to do so, he/she will be deemed to have resigned voluntarily.
- 7.3 Once an employee returns a letter of agreement by June 15th, should a change in the expected terms of employment be contemplated by the District, the employee shall be consulted prior to any change being made.
- 7.4 Each employee shall be provided with a copy of his/her job description. Upon revision of a job description, the employee and the Union shall be provided with an updated copy.

- 7A-3 A copy of the employee's annual evaluation report shall be given to the employee by June 1st in a sealed envelope, and the employee shall be given an opportunity to discuss the evaluation report with the principal in a reasonable period of time. During the school year, employees will be notified of any deficiencies in their performance.
- 7A-4 The employee's signature on the evaluation report shall not necessarily indicate the employee's agreement with the contents of the evaluation report. The employee shall have the right to make a written reply to the evaluation report, and any such reply shall be attached to the evaluation report and placed in the employee's personnel file. In the event the employee requests a meeting with the Administrator, the employee shall provide their

The employee shall be provided a reasonable opportunity to make recommendations on the improvement plan. The employee is entitled to have a Union Representative attend these meetings.

ARTICLE 8—WAGES

8.1 Wage Rates Paraeducators:

- 8.1.1 Paraeducators shall be paid wage rates and advance one step each year in accordance with the wage schedules for 2024-2025 that are in Appendix A-1. The parties agree to the initial placement on the salary schedule as contained in the Tentative Agreement. Newly hired paraeducators who have not achieved Paraeducator II certification shall be paid \$15.00 an hour effective July 1, 2024. Paraeducators have until June 30 following their date of hire to secure a Para II certification or the paraeducator will either not be issued a contract for the following year or will be held on the Para I step. Once a new hire achieves Paraeducator II certification, they will be placed on the Paraeducator II pay scale at the appropriate step. New hires are placed on the schedule granting one (1) step for every year of experience. Eligible paraeducators will move a step every year.
- 8.1.2 Generally, no paraeducator or SLA or RBT shall be placed at a step of the wage schedule that is higher than the highest step of a paraeducator, or SLA or RBT with equivalent credited educational experience and degrees. However, exceptions may be made if the superintendent determines there is an unavailability of qualified candidates at the hourly rate set forth in the wage schedule, or that a candidate should receive extra credit for prior experience outside the field of education.
- 8.1.3 While it is not desirable to assign paraeducators to serve as substitute teachers there are times when it becomes necessary. When an employee is assigned to substitute for a teacher for less than sixty (60) minutes, the employee shall be compensated at his/her regular rate of pay. When an employee is assigned to substitute for a teacher for longer than sixty (60) minutes and up to three (3) hours, the employee shall be relieved of his/her regular paraeducator instructional assignment and shall be compensated at his/her normal daily rate plus twenty (\$20.00) or the substitute teacher per diem rate, whichever is higher. When an employee is assigned to substitute for a teacher for more than three (3) hours, the employee shall be relieved of his/her regular paraeducator instructional assignment and shall be compensated at his/her normal daily rate plus forty (\$40.00) or the substitute teacher per diem rate, whichever is higher.

Time calculated in this provision shall be cumulative and not consecutive and paraeducators shall be compensated for all time worked once the total time is sixty (60) minutes or more in a day.

- 8.2 Wage Rates for Secretaries and Custodians: The Administration shall have the discretion to determine the starting wage rate for the first year that a secretary and custodian holds a position in the bargaining unit. However, no new hire shall be paid more than a current employee with equivalent experience. Such an employee continuing in a bargaining unit position for a second or subsequent year shall receive the following increase in wage rate over the prior year's wage rate:

7/1/2024 Secretaries: \$1.50 per hour increase.
Custodians: Market adjustment as reflected in the tentative agreement with a starting pay of \$18.00 per hour.

- 8.2.1 In the event the outsourcing of food services ceases, the provisions of Article 8.2 and this article shall resume in full force for food service employees.

Effective July 1, 2014, food service employees who have attained Level 2 certification through the School Nutrition Association (SNA) shall receive an additional \$0.25 per hour. Employees shall receive the additional compensation in the first payroll in September or the first payroll in January after demonstrating attainment of the requisites for the respective stipend.

- 8.3 An employee who actually worked more than 50 percent of the work days for that employee's position during the prior year shall receive credit for one full year of experience.
- 8.4 An employee's wage increase may be withheld if the superintendent concludes that the employee's performance was unsatisfactory during the prior year.
- 8.5 Effective July 1, 2024, all employees who have been employed by the Henniker School District shall receive annual longevity pay based on years of service, to be paid in a separate lump sum payment on or before December 1st in accordance with the following formula:

Completed Years of Service*:

After 10 years \$750.00
After 15 years \$1,000.00
After 20 years \$1,500.00
After 25 years \$1,750.00

*Years of service will be computed on November 1st of each year.

- 8.6 Paraeducators who are required by administration to complete additional documentation as part of their duties shall be compensated to work additional time of up to one hour (60

minutes) per week, not to exceed 30 hours per year, to catch-up on Medicaid paperwork, other required documentation, and have access to an online computer for work-related matters. The paraeducator at his/her discretion may complete these tasks in not less than fifteen (15) minute intervals during the week. The time does not carry over from week to week. It shall be the paraeducator's responsibility to document and submit the additional time for payment on a weekly basis. This benefit will be pro-rated by FTE.

8.7 Monthly meetings for paraeducators shall continue to be held during the workday when possible. Additional after school meetings will be scheduled for the school year and paraeducators will be compensated for the time.

8.8 Coverage for Intensive Needs Paraeducators

When a paraeducator is providing coverage for a paraeducator who receives the additional \$1.00/hour intensive needs pay or is covering for a RBT, the covering paraeducator shall receive the \$1.00 per hour for all time worked in excess of sixty (60) minutes.

Administrators will provide training appropriate for paraeducators at Common Day Workshop, at the additional professional development day and at professional development Early Release Days.

The District will issue certificates of attendance, to include date, hours and content of training.

In an effort to give all currently employed non-certified paraeducators the opportunity to become certified, the District agrees to provide professional development onsite at the school or SAU 24 office to help prepare paraeducators for Para II certification. The District agrees to pay the fee charged by ETS for the Para Pro Assessment for any paraeducator employed for the school year. For employees who do not earn passing scores, the District agrees to pay for the fee charged by ETS for a second Para Pro Assessment during any given school year after the employee has demonstrated that he/she has taken steps to prepare for the assessment. Employees may take two (2) Para Pro practice exams or take the SAUniversity test prep workshop to demonstrate preparation.

A formal assessment is required by the State of New Hampshire for any candidate for certification who does not possess an Associate's degree or two years of successful course

work at the college level. The District will support the employee in the certification process. The District agrees to pay for fingerprinting and criminal background checks associated with the application process. Certification and recertification fees must be paid directly to the State of New Hampshire by the employee. Paraeducators have until June 30 following their date of hire to secure a Para II certification or the paraeducator will either not be issued a contract for the following year or will be held on the Para I step. Any paraeducator thereby terminated who is subsequently rehired by the district shall retain all prior years of experience and shall be placed on the appropriate step upon rehire.

It is understood by all parties that upon hire, paraeducators will be limited to the Para I salary schedule in Appendix A-1 until achieving Para II certification.

Upon submission of Para II certification mid-year, the employee shall be moved to the appropriate step on Para II pay scale within thirty (30) days. The District shall provide professional development on early release days and the two (2) days before the start of the school year to support paraeducators in meeting recertification credit hour requirements.

- 10.7 Unpaid Leave: Unpaid leave may be granted for reasons other than those stated above at the sole discretion of the Superintendent. The Superintendent's decision shall not be subject to the provisions of the grievance procedure.
- 10.8 Jury Duty Leave: An employee who is called to perform jury duty shall be paid the difference between the fee received for such service and the employee's regular per diem rate of pay. Satisfactory evidence of the jury duty performed and the fee received for such service must be submitted to the Superintendent's office. Payment of meals and/or mileage shall not be considered part of the fee for the purpose of this Agreement.

ARTICLE 11—DUES AND DEDUCTIONS

- 11.1 Upon individual written authorization by an employee who is a member of the Union, the District agrees to deduct from the pay of such employee the current Union dues, as certified to the District by the Treasurer of the Union. Said deductions shall be made each pay period in which the employee's paycheck is large enough to satisfy the deduction. The District shall forward the amount so collected to the Union at least once per month. However, the District shall not deduct dues from the wages of any employee who notifies the District and Union in writing that he/she is withdrawing a previous authorization for such deductions.
- 11.2 Should there be a dispute between an employee and the Union over the matter of deductions, the Union agrees to defend, indemnify and hold harmless the District in any such dispute.

ARTICLE 12—REDUCTION IN FORCE

- 12.1 The Board and administration shall have the authority to determine the number and qualifications of employees in each job classification.
- 12.2 In the event the Board and administration determine that it is necessary to conduct a reduction in force, the administration shall initially attempt to determine the number of possible resignations and retirements within each job classification in a good faith effort to avoid potentially unnecessary layoffs.
- 12.3 If further reduction in force is necessary within a job classification, the administration shall choose employees for layoff within that job classification based upon assessment of the employee's ability, qualifications, experience and performance. If all these factors are relatively equal in the judgment of the Superintendent or his/her designee, the employee(s) with the least seniority shall be laid off first from that job classification.
- 12.4 Definitions:
- 12.4.1 "Job classification" means the positions listed in Section 1.2.
- 12.4.2 "Seniority" shall be calculated from the date than an employee commenced his/her current term of continuous employment by the School District in a position in this bargaining unit.

ARTICLE 13—MISCELLANEOUS

- 13.1 The normal workday shall be defined as not less than six (6) hours. It is agreed by the parties that on occasion there may be the need for part-time positions to address unique students' needs but a work day of less than six (6) hours per day should be considered the exception and not the rule. Except in the case of emergencies, employees shall receive an uninterrupted and duty-free unpaid lunch of at least thirty (30) minutes per day.
- 13.2 As provided in RSA 275:56, the bargaining unit member shall have the right to review the contents of all records, excluding initial references, of the District pertaining to said bargaining unit member, originating after initial employment and to have a representative of the Union accompany him/her. The bargaining unit member shall be notified by the Human Resources office within 45 days of any items being placed in said file (annual evaluations shall clearly state and thus serve as notification, that said evaluation shall be placed in the employee's HR file). The bargaining unit members may submit a written notation regarding any material including complaints, and the same shall be attached to the file copy of the material in question. When a bargaining unit member is requested to sign material placed in the file, such a signature shall be understood to indicate his/her awareness of the material, but shall not be interpreted to mean agreement with the content of the material. The bargaining unit member may at any time request a copy of said file, excluding initial references, and such copy shall be provided within 10 business days at the District's expense.

- 13.3 In the event of a late start or early release day, employees shall suffer no loss in pay. When an unplanned delayed opening of school or an unplanned early release from school occurs (e.g. due to weather conditions), employees shall be paid for the hours lost as a result of the unplanned delayed opening or unplanned early release.

In the event of a cancelled school day which is not made up by the District, the employees shall suffer no loss in pay. When a student day is canceled and not made up, resulting in less than 180 student days, paraeducators will be provided an opportunity to make up the hours lost, up to the 180 student days in the calendar. The District shall provide work or professional development to make up the lost hours. The paraeducator is not required to make up the lost hours and can instead have those days be unpaid.

If the District is in remote mode, paraeducators will be able to perform their duties remotely.

- 13.4 Employees who are required and authorized to use private automobiles for school-related business, including but not limited to attendance at workshops and seminars and field trips, shall be reimbursed at the current IRS mileage rate.

- 13.5 Availability of training for specialized positions, such as RBT, shall be internally posted to Para II certified employees and shall be open by application to the principal. Cost of training and certification shall be borne by the District.

ARTICLE 14—SEPARABILITY

- 14.1 If any provision of this Agreement is held to be contrary to law, all other provisions shall continue in force and effect. In such instance, The School Board and the Union shall meet within a reasonable amount of time of such legal determination for the purpose of negotiating possible modifications to the Agreement.
