The parties recognize the importance of dealing with each other with mutual respect and dignity.

### 1.0 RECOGNITION

(Note: Management agrees to a sidebar agreement that if any previously listed position comes back into being with substantially the same duties as at the time of recognition, then that position shall be considered to be within the bargaining unit).

1.2 The term employee as used in this contract refers to the members of the bargaining unit listed above.

### 2.0 DUES

2.1 For the duration of this Agreement, the City will deduct regular periodic **Association** dues each week from the paycheck of each employee who individually and voluntarily certifies in writing authorization for such deductions.

### Voluntary Dues Assignment

2.2 I hereby authorize the City of Laconia to deduct from my pay each pay period, or the first full pay period of each month, the amount of \_\_\_\_\_ as the regular dues and to remit such amounts to the Laconia Police Officers **Association** in accordance with its arrangements with my employing agency. I further authorize any change in the amount to be deducted which is certified by the above named employee organization as a uniform change in its dues structure.

Employee's Signature

2.3 Any employee who is not a member of the Association who requests the services of the **Association** in a grievance representation shall be charged the full fair cost of such representation. The City shall have no responsibility in the collection of such costs.

### 3.0 DISCRIMINATION

3.1 The parties of this Agreement will not discriminate in violation of Federal or State law against any employee because of race, age, color, creed, sex, marital status, national origin, handicap, sexual orientation, or membership or non-membership in the **Association** or by reason of any activity or refraining from any activity in, with and or for the **Association** not in contravention of any provision of this Agreement, the law or rule or regulation of the Department.

### 4.0 GRIEVANCE PROCEDURE

4.1 For the purpose of this Agreement, a grievance is defined as a complaint by an employee that alleges, as to him or her, there has been a direct violation of the express terms of a specific provision of this Agreement.

4.2 All grievances at each step must be in writing and signed by the grievant, setting forth in detail the nature of and all the facts giving rise to the grievance, the contract provision(s) alleged to have been violated and the remedy requested. If a grievance is filed concerning an officer who is superior in rank to the grievant, then that grievance shall be heard by an Officer of the next highest administrative level above the Officer who is the subject of the grievance, or such other person as may be designated to hear that grievance by the Chief of Police or his/her designee.

Said grievances must be processed in accordance with the levels, time limits and conditions set forth below. The time limits set herein below are construed to be the maximum time limits. It shall be clearly understood by both parties that it is the responsibility of the grievant to exercise his/her rights under this grievance procedure.

Time periods may be extended by mutual agreement of the parties.

Absent a mutually agreed upon extension of the time periods, failure by the Department to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure of the grievant in any step of this procedure to appeal a decision to the next step within the specified time limits shall be deemed a waiver of future appeal of the decision, and will be considered acceptance of the decision rendered.

Saturdays, Sundays and legal holidays shall not be counted in the computation of any time period specified in this section.

4.3 All grievants shall have an opportunity to be represented by the shop steward or a member of the **Association's** executive board throughout the grievance process commencing

with Step One. If it is the intention of the supervisor that any discipline other than an oral reprimand be imposed, then representation may commence at any level.

(a) STEP ONE:

4.4 The grievance shall be presented to the employee's immediate supervisor within ten (10) working days of the employee knowing or should have known of the act or condition on which the grievance is based.

Said immediate supervisor shall schedule a hearing and render a written decision within fifteen (15) days from receipt of the grievance.

(b) STEP TWO:

If the employee is not satisfied with the decision of the immediate supervisor at step one, the employee may appeal to his/her Division Commander within three (3) days. The grievance shall be accompanied by any other supporting data required for the efficient review by the Division Commander. The Division Commander shall schedule a hearing and render a written decision within fifteen (15) days of receipt of the appeal.

(c) STEP THREE:

If the employee is not satisfied with the decision of the Division Commander at step two he/she may appeal, to the Chief of Police within five (5) days. If the grievant requests, in his/her written appeal, the Chief of Police shall schedule a hearing within ten (10) days of receipt of the appeal. If a hearing is not requested the Chief of Police shall decide the grievance based upon written information as supplied and/or any further data reasonably requested by the Chief of Police. The Chief of Police shall render a written decision within fifteen calendar days of receipt of the step 3 appeal.

(d) STEP FOUR:

If the decision of the Chief of Police does not resolve the grievance, the **Association** shall have the sole right to appeal that decision and the matter shall be submitted to arbitration providing the **Association** notifies the Chief of Police of such request within fifteen (15) working days of receipt by the **Association** of the Chief of Police's decisions. The following procedure shall be used to secure the services of an arbitrator.

The parties will attempt to agree upon a mutual satisfactory third party to serve as arbitrator. If no agreement is reached within five (5) days following the date the request for arbitration was received by the Chief of Police, the American Arbitration **Association** will be notified by either or both parties and requested to designate an Arbitrator under its rules.

Neither the City nor the **Association** will be permitted to assert any ground or evidence before the arbitrator which was not previously disclosed to the other party.

The Arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The Arbitrator shall consider and decide only the question of fact as to whether there has been a violation, misinterpretation or misapplication of the specific provision of this Agreement, and the appropriate remedy thereof. The Arbitrator shall be in power to determine the issues raised by the grievance as submitted in writing. The Arbitrator shall be without power to make any decision or award which is contrary to or inconsistent with, in any way, applicable laws, or rules or regulations of administrative bodies that have the force and effect of law.

Any decision or award of the Arbitrator rendered within the limitation of this Section, on a grievance shall be advisory upon the Department and the Association, subject to the provisions of RSA 542. The parties agree to act in good faith with respect to advisory arbitration recommendations. Cost of the Arbitrator's fee shall be shared equally by the parties.

**FAMILY AND MEDICAL LEAVES OF ABSENCE**

**I. GENERAL PROVISIONS**

Under the provisions of the Family and Medical Leave Act of 1993 ("FMLA"), all employees who worked at least 1,250 hours during the prior twelve (12) months are entitled to take not more than twelve (12) work weeks unpaid FMLA leave of absence in a twelve (12) month period (as defined below) in the event of:

- (A) the birth of a child in order to care for the child (leave must be taken within twelve (12) months of the birth);
- (B) an adoption or foster care placement of a child in order to care for the child (leave must be taken within twelve (12) months of the placement);
- (C) a serious health condition of the employee's parent, spouse, minor child, or adult child when the ill person is not capable of self-care and the employee is needed for such care; or
- (D) a serious health condition of the employee which results in the employee's inability to perform his or her job.

As stated above, an eligible employee is entitled to a total of twelve (12) work weeks of leave during any twelve (12) month period. That twelve (12) month period is defined as a "rolling" twelve (12) month period measured backward from the date an employee begins any FMLA leave. Each time an employee begins a FMLA leave; he is eligible to use any of the maximum of twelve (12) weeks leave not used in the prior twelve (12) months. For example, if an employee has used eight (8) weeks of FMLA leave during the twelve (12) months prior to a new leave request, the employee is then eligible to take an additional four (4) weeks of leave. As further example, if an employee takes four (4) weeks of FMLA leave beginning September 1, 1994, and four (4) weeks of FMLA leave beginning December 1, 1994, an employee requiring additional FMLA leave on March 1, 1995, would have four (4) weeks of FMLA leave available. In other words, the number of weeks which an employee has available upon the beginning of a FMLA leave shall be twelve (12) weeks less the number of FMLA leave weeks taken in the twelve (12) month period prior to the beginning of the current FMLA leave (the "Available Leave Weeks").

FMLA leaves for the birth or placement for adoption or foster care of a child, as described in paragraphs A and B above, must be taken all at once unless otherwise agreed to by the Department. If medically necessary, FMLA leaves due to illness as described in paragraphs C and D above may be taken on an intermittent or reduced leave schedule. If FMLA leave is requested on this basis, the Department may require the employee to transfer temporarily to an alternate position which better accommodates periods of absence or a part-time schedule, provided that the position has equivalent pay and benefits.

When a FMLA leave is approved, an employee's accrued, unused vacation and/or sick time will be included as part of the twelve (12) week leave requirement for A, B or C FMLA leaves listed above. For example, an employee with two (2) weeks earned, unused vacation is required to use that time before taking not more than ten (10) additional unpaid weeks. In addition, for type C and D FMLA leave, an employee will be required to use all accrued sick time.

When an employee requests any leave of absence which qualifies as leave under the FMLA, the Department may designate such leave as FMLA leave upon written notification to the employee.

**II. STATUS OF EMPLOYEE BENEFITS**

While on FMLA leave, employees may continue to participate in the Department's group health insurance in the same manner as employees not on FMLA leave. In the event of unpaid FMLA leave, an employee shall pay to the City's Finance Director the employee's share of any medical insurance premiums once per month in advance on the first day of each month. In the event that the employee elects not to return to work upon completion of a FMLA leave of absence, the Department may recover from the employee the cost of any payments to maintain the employee's medical coverage, unless the employee's failure to return to work was for reasons beyond the employee's control.

Benefit entitlements based on length of service will be calculated as of the last paid work day prior to the start of the leave of absence; for example, an employee on leave will not accrue vacation or sick time. At the end of an authorized FMLA leave, an employee will be reinstated to his or her original or a comparable position.

**III. BASIC REGULATIONS AND CONDITIONS OF LEAVE**

The Department will require medical certification to support a claim for FMLA leave for an employee's own serious health condition or to care for a seriously ill child, spouse or parent. For the employee's own medical leave, the certification must include a statement that the employee is unable to perform the functions of his or her position. For FMLA leave to care for a seriously ill child, spouse or parent, the certification must include an estimate of the amount of time the employee is needed to provide care. In its discretion, the Department may require a second medical opinion and periodic recertification at its own expense. If the first and second opinions differ, the Department, at its own expense, may require the binding opinion of a third health care provider, approved jointly by the Department and the employee.

#### **IV. NOTIFICATION AND REPORTING REQUIREMENTS**

When the need for FMLA leave is foreseeable, such as the birth or adoption of a child, or planned medical treatment, the employee must provide reasonable prior notice, and make efforts to schedule leave so as not to disrupt Department operations. In cases of illness, the employee will be required to report periodically on his or her FMLA leave status and intention to return to work. At the expiration of any FMLA leave due to the employee's own illness, the employee must present a written authorization from his/her doctor stating that the employee is ready to return to work.

#### **V. PROCEDURES**

(A) A Request for Family and Medical Leave of Absence Form must be originated in duplicate by the employee. This form should be completed in detail, signed by the employee, submitted to the immediate supervisor for proper approvals, and forwarded to the Chief of Police. If possible, the form should be submitted thirty (30) days in advance of the effective date of the FMLA leave.

(B) All requests for FMLA leaves of absence due to illness must include the following information attached to a completed Request for Family and Medical Leave of Absence Form:

Sufficient medical certification stating:

- 1) the date on which the serious health condition commenced;
- 2) the probable duration of the condition; and
- 3) the appropriate medical facts within the knowledge of the health care provider regarding the condition.

In addition, for purposes of FMLA leave to care for a child, spouse, or parent, the certificate should give an estimate of the amount of time that the employee is needed to provide such care. For purposes of FMLA leave for an employee's illness, the certificate must state that the employee is unable to perform the functions of his or her position. In the case of certification for intermittent FMLA leave or FMLA leave on a reduced leave schedule for planned medical treatment, the dates on which such treatment is expected to be given and the duration of such treatment must be stated.

#### **VI. COORDINATION WITH MATERNITY LEAVE**

The Department provides employees a leave of absence for the period of temporary physical disability resulting from childbirth and related medical conditions. A maternity leave begins when an employee is medically determined to be disabled and ends when medically determined to be able to return to work.

Maternity leave will be treated in the same manner as a type D FMLA leave of absence; that is, the employee is required to exhaust accrued, unused vacation, personal and sick time before taking any unpaid leave. However, maternity leaves are not limited by any measure other than the period of medical disability.

An employee who uses less than the Available Leave Weeks for type D leave for maternity may take additional type A FMLA leave after the end of the disability period for a period not to exceed the Available Leave Weeks.

#### **VII. COORDINATION WITH OTHER DEPARTMENT POLICIES; REFERENCE TO FMLA AND FEDERAL REGULATIONS**

In the event of any conflicts between this policy and other Department policies, the provisions of this policy shall govern; however, if any provision of the collective bargaining agreement exceeds the benefit offered herein the agreement shall control for those covered employees. The FMLA and the FMLA federal regulations issued by the U.S. Department of Labor contain many limitations and qualifications for entitlement and governance of FMLA leave not stated herein. The terms of the FMLA and the FMLA federal regulations are incorporated herein and will be applied in all instances of requested or designated FMLA leave.
