ARTICLE I  
OBJECTIVES

The Lafayette School Board and the Lafayette Education Association will strive to arrive at an agreement that defines a compensation package that will attract and retain qualified, competent and experienced teachers, as well as reflecting an appropriate concern for the interest of the district's taxpayers.

The parties also agree that professional growth and excellence in education are to be encouraged.

ARTICLE II  
POLICY

- A. It is recognized that the Board of Education has the authority on all issues within its jurisdiction, and nothing in this policy shall be interpreted as in any way limiting that authority, except as stated herein. This procedure in no way denies any teacher the right to further appeal.
- B. A policy of hiring talented, qualified teachers with degrees will be followed, insofar as is possible, in order to enhance the productivity of the educational staff.
- C. It is the policy of the Lafayette Regional School District not to discriminate on the basis of race, sex, color, religion, handicap, national origin, or sexual preference in the personnel practices, educational programs and activities which it operates, in accordance with Title VI of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, and section 504 of the Rehabilitation Act of 1973. Any inquiries concerning these statutes should be directed to the Office of the Superintendent of Schools, School Administrative Unit #35, 262 Cottage Street – Suite 230, Littleton, NH 03561.

Sexual harassment of any employee or student by any other employee or student, or by anyone with whom a student or employee may interact, in order to fulfill job or school responsibilities is, not only illegal as a form of sex discrimination as defined by Title VII of the 1964 Civil Rights Act and Title IX of the Educational Amendments of 1972, but also is a violation of this School Administrative Unit's policy and will not be tolerated.

ARTICLE III  
GENERAL PROVISIONS

- A. All professional personnel will be provided with a copy of this Agreement and all revisions or addenda.

- B. This section is for the purpose of defining full and part time teachers only, and not to define the job description or responsibilities of professional teachers, which are understood to include substantial duties and responsibilities not listed herein.
1. The work day of a full time teacher is 1/2 hour before opening of school to 1/2 hour after close of school, meaning 7:30 AM - 3:00 PM = 7.5 hours per day or 37.5 hours per week.
  2. Every effort will be made to assure that all full-time teachers have one continuous 30 minute duty-free planning period per day, exclusive of lunch and recess times, at a time to be determined by the principal.
  3. All members of the bargaining unit who work less than sixty percent (60%) of the work week shall not be entitled to benefits other than salary in this contract. No exception will be made without prior written agreement between the Board and Association.
  4. Benefits of part time members of the bargaining unit will be paid on a pro-rata basis with payment of benefits being the same ratio as the hours worked are to the full time work week.
  5. Subject to Board approval and provided the district would incur no additional cost, full time teachers who do not live in the Lafayette Regional School District may have their children attend Lafayette Regional School tuition free. Board approval would be necessary yearly.
  6. When professional staff is required to change rooms, notice must be given prior to the last day of school unless unusual or unforeseen circumstances arise.
- C. The contract year is defined as 188. These days will be used as follows: 180 student contact days; 1 work day prior to the beginning of school, half of which may be used for room preparation; 3 curriculum development/professional improvement days that will be planned with professional staff collaboration; 1 principal scheduled day; and the remaining days to be scheduled by the teacher with advance approval on any non student contact day for staff development directed toward an individual's established goals arrived at through the usual goal setting process.
- In the event that collaboration does not result in agreement over the use of a day, the Superintendent will attempt to facilitate a collaborative agreement. In the event the facilitation effort fails, the Superintendent or designee shall have final authority to determine the use of the day.
- D. This Agreement may be altered, changed, added to, deleted from, or otherwise modified only through the mutual consent of the School Board and Association in writing and a signed amendment to this Agreement.

#### ARTICLE IV

If any professional employee has reason to claim that there has been a violation or inequitable application of any of the provisions of this Agreement, the claimant will first discuss the matter with the immediate supervisor, within 15 school days of the incident, with the objective of resolving the matter informally. If the claim is not resolved or no decision is forthcoming from the supervisor within five school days, the claimant must reduce the claim to writing and file it with the building principal and the Association within ten school days of the first discussion above; otherwise, the claim will be considered dropped.
- B. The principal will meet with the claimant, accompanied, if desired, by a representative designated by the Association, within 5 school days of receiving the written claim to resolve it. ## ARTICLE VI

### TEACHER EVALUATION

- A. The purpose of evaluation is to assess the areas of strength and weakness of a teacher and to judge the competency of that teacher.
- B. Teachers shall have the reasonable expectation of continued employment provided their services are competent, efficient, and satisfactory. Never the less, this may be superceded by Article X.

All teachers shall be advised as to the evaluation procedures of the District. In the event that a teacher is found to be unsatisfactory in any particular area, he/she shall be advised of the unsatisfactory area requiring change or improvement, etc., and shall be expected to remedy such deficiencies in his/her performance with the help of the School Administration, within a reasonable time and an opportunity provided for the teacher to do so.

Teachers will be observed in the classroom situation at the discretion of the administration. Each teacher will be observed annually at least the minimum number of times in the current Lafayette School District policy, which shall be available at the beginning of the school year.

A conference will be held between the teacher and the observer. The teacher will be given a written copy of the observation/evaluation. At the conclusion of the conference, the teacher will acknowledge that he/she has had the opportunity to review such material by affixing his/her signature to the copy to be filed with the expressed understanding that such signature in no way indicates agreement with the content thereof. The teacher shall have the right to review the contents of his/her evaluation file with administration present at a mutually agreed upon time.

- C. Nothing in this Article shall prohibit the District from disciplining or discharging a teacher for:
- 1) Incompetence
  - 2) Neglect of Duty

ARTICLE IX  
LEAVE POLICY

3. The sick leave policy will be effective beginning with the first contracted day. A report of accumulated sick leave will be made available to each employee in September of each new school year.
4. When a teacher must leave school because of illness while in charge of pupils, that day will be considered 1/2 or 1 full day of sick leave at the discretion of the principal.
5. If a teacher should exceed his or her number of sick leave days as stipulated above, he or she shall receive per day the difference between 1/200 of his or her salary and the pay of a substitute, subject to approval of the Board of Education and the Superintendent on a case by case basis.

The School Board reserves the right to request such certificates at such intervals as it may determine. Further, if the Superintendent, after consulting with the teacher's Principal, is concerned that the teacher is unable to adequately perform her duties, he may require doctor's certification that the teacher is physically fit to work.
5. In order to preserve the continuity of instruction, it is understood that childbearing leave terminates at a mutually agreed upon date, subject to the recommendation of the Superintendent and approval of the Board of Education.
6. All personnel benefits accumulated prior to the commencement of the leave, and not used during the leave, will be retained unless the teacher does not renew her employment.

8. If the pregnancy is terminated prior to the start of the leave, the leave shall be canceled upon notice from the teacher. This notice must be accompanied by a certificate of good health from the teacher's personal physician.
9. All childbearing leaves shall be subject to the following conditions:

4. All personnel benefits accumulated prior to the commencement of the leave, and not used during the leave, will be retained unless the teacher does not renew her employment.

The return of a teacher from childrearing leave shall be contingent upon the condition that the program of studies in his/her certification exists, or that another vacancy in his/her certification exists. In the event that these conditions do not prevail, the teachers shall have the full rights and privileges under the Reduction in Force Clause (Article X).
6. All childrearing leaves shall be subject to the following conditions:
  - a. If the leave lasts less than ninety (90) school days, the teacher shall be awarded one salary step placement for the subsequent year, if the teacher returns to the school system.
  - b. If the leave lasts less than ninety (90) school days, the teacher shall continue current medical insurance coverage during the leave, provided that the employee is not covered by the same, equivalent, or better insurance by another employing agency, subject to approval by the medical insurance carrier.
