Decision No. 2024-193**

Order

On August 28, 2024, the Londonderry Association of Police Supervisors (LAPS) filed a Petition for Certification – Challenge to Existing Representative requesting an election to resolve the question of representation of certain Londonderry Police Department employees represented by the Londonderry Administrative Employees Association, Affiliated with AFSCME Council 93 (LAEA). See PELRB Decision No. 2024-026 (February 15, 2024). The LAPS also filed a modification petition seeking to remove Police Department employees from the bargaining unit represented by the LAEA. See Case No. G-0022-10. This petition was granted. See PELRB Decision No. 2024-191.

The LAPS seeks to represent the following bargaining unit:

**Unit:** Deputy Police Chief, Police Captains, Police Lieutenants, Police Executive Secretary, and Police Administrative Secretary.

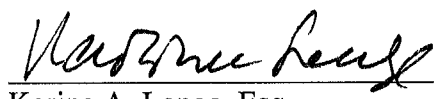

The petition was supported by the requisite number of confidential authorization cards as reflected in the September 3, 2024 PELRB Report re: Inspection of Confidential Authorization

Cards. Neither the LAEA nor the Town object to this petition. No other exceptions, objections, or petitions to intervene have been filed in this case.

The LAPS's request for an election to resolve the question of representation is granted and the bargaining unit is approved. Accordingly, the PELRB will conduct a secret ballot election pursuant to RSA 273-A:10 to determine the exclusive representative of the existing bargaining unit, if any. "Londonderry Association of Police Supervisors," "Londonderry Administrative Employees Association,"<sup>1</sup> and "No Representative" will appear as choices on the ballot. An Order for Election shall be issued, and a pre-election conference shall be conducted in accordance with Admin. R. Pub 303.02.

So ordered.
