

Derry Education Association/NEA-NH and Derry School District, Decision No. 2024-151
(Case No. E-0073-6).

Background: The Association filed a modification petition seeking to add the positions of Math Interventionist, Out of District Coordinator, and Science Specialist to the existing bargaining unit. The District objected to adding the Science Specialist and Out of District Coordinator positions on the ground, among others, that there had been no changes in circumstances warranting modification as required under Admin. Rule Pub 302.05.

Decision: The Math Interventionist position was added by agreement. The Association's request to add the positions of Out of District Coordinator and Science Specialist was denied because the evidence was insufficient to prove that there had been a change in circumstances since the bargaining unit was last modified in 2023, as required under Admin. Rule Pub 302.05.
